**Tutorials:** <http://www.wintility.com/tutorials>

**EVALUATION COPY INSTALLATION INSTRUCTIONS:**

**This 30 day trial copy is valid for three simultaneous users.**

**First:** download Wintility Pro, at the following link:

<http://www.wintility.com/cgi-bin/downloadpro.pl?ID=CADAnywhere>

**Second:** Run the file "wintilitypro.exe" and follow the instructions.  
This is the "Master" copy installation.

During installation process, you will be asked to:

1. Choose the location for the "Master" copy.  
In order to be accessed and used by a workgroup, the software must be located in a shared folder with write permission.

Example: h:\public\wpro\master

**Third:** for each seat you should proceed a "Client" installation.

Client installation requires the following procedures:

1. Exit from all opened applications (including those located at the system tray).
2. Map the folder where the Master copy is installed. (To map a drive go to Tools>Map network drive)
3. If your workstation OS is Windows NT4/ 2000 you must be logged in as an Administrator.

Run "setup.exe" file, located in the "Client" folder, under the same folder where you installed the "Master" copy.

Example: h:\public\wpro\master\client
